

Carlton Tower

The Carlton Condominium Association, Inc

December 3, 2013

Dear Owners and Residents:

The holiday season is upon us. Your Board of Directors has decided again this year to create a Christmas/Holiday fund for our employees. Our employees work throughout the year for all of our best interests.

We know that most of you wish to reward the employees financially during the Holiday Season. For those who do not wish to give directly to individual employees, we ask that you contribute through the Board of Directors Christmas Fund. It has been the custom in the past to contribute at least \$25.00, but any amount is acceptable and more is especially appreciated.

Please make your check payable to: CARLTON TOWER - CHRISTMAS FUND and return by mail or deliver to the office if you wish to participate. Please send your checks early so the fund can be distributed before Christmas.

The Board of Directors wishes you and your family Happy Holidays.

Bob Dean – President
Jack Law - Vice President
Richard Carlson - Secretary
Gaden (Guy) Kaskey - Director
Tony Adams – Treasurer
